

HAITI UPDATE

1st Haitian Baptist Church of Lake City Pastor Louis Joseph and his wife Marie have asked that we pass along the following information concerning the present situation in Haiti. Marie's mother and father live in Port-Au-Prince and Louis has several sisters who also live there. We spoke with Louis @ 7AM this morning (Thursday 1/14/10) and they have been unable to contact any family member in Haiti. Louis and Marie and their family request your prayers during this difficult time.

In addition, Louis and Marie are accepting relief supplies they plan to take to Haiti. As an Association, we will be working with Pastor Louis to assist in travel arrangements as needed. Now, the following items will be collected @ BBA Offices for the Haitian people:

- CANNED FOOD
- DIAPERS
- TOOTHPASTE/TOOTH BRUSHES
- BOTTELED WATER
- UNDERWEAR
- SOCKS
- SMALL FIRST AID KITS
- SOAP

•
Again, you can collect these items and bring them to BBA Offices and we will assist Louis in getting them to the people in Haiti. PLEASE pass this info along to others. You may contact Bro. Louis and Marie @ 1-386-951-4587 or 697-8221 or by email to mariealexandr112@yahoo.com
